16th Shanghai International Tube Industry Expo 2025
2-4 Dec. 2025 Shanghai New International Expo Centre (SNIEC)

About Shanghai Int'l Tube Industry Expo

The 16th Shanghai International Tube Industry Expo, jointly organized by the Sub-association for Steel Tube and Pipe Products (CSCS) and the Shanghai Steel Tube Association, will be held from December 2 to 4, 2025, at the Shanghai New International Expo Center.

Notably, this expo is a key component of the MTM EXPO and serves as a purchasing platform for the steel tube industry. It attracts international buyers, users, experts, and decision-makers from the steel tube, metallurgy, and foundry sectors, who come together to discuss hot issues and explore emerging trends.

Forecast for the 16th Shanghai Intl Tube Industry Expo (including concurrent Metallurgy Expo & Foundry Expo):

I Figures and Facts of Last Event

The last exhibition was successfully held from 18th to 20th December 2024 in Shanghai New International Expo Center, attracting **859 exhibitors** from **12 countries and regions** and **27,695 visitors** from **48 countries and regions**. Of these, 24,432 were domestic visitors, while 3,263 were from overseas.

91.6% of the exhibitors expressed satisfaction and are likely to participate in the next exhibition.

I Previous Exhibition On-site

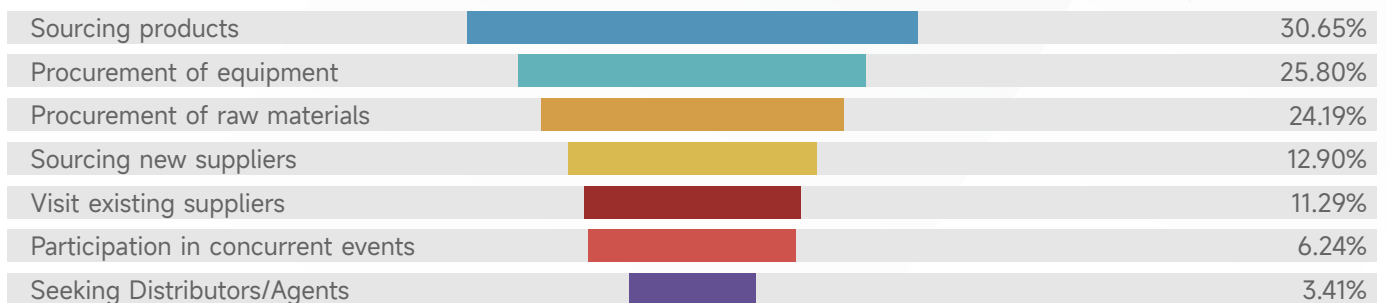

At a glance of previous event

Exhibitors' Satisfaction

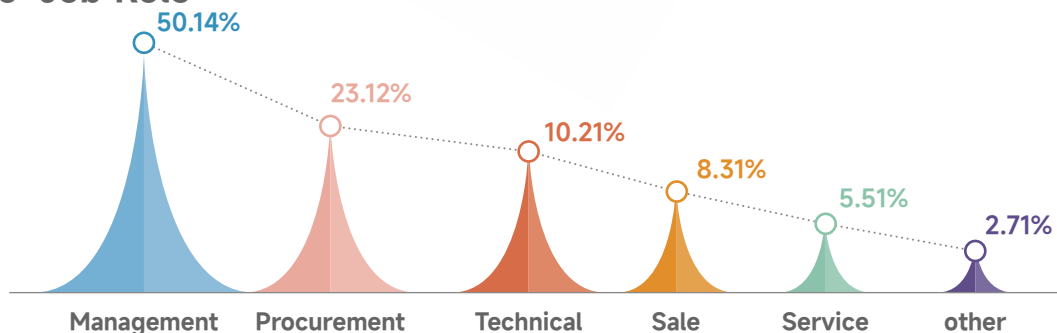

91.6% of exhibitors consider MTM EXPO as an important industry event

83.7% of exhibitors were satisfied with the quality of visitors

Percentage of overseas visitors by geography

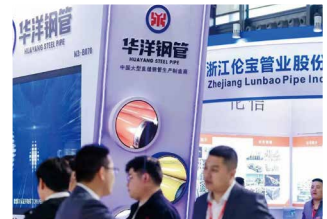

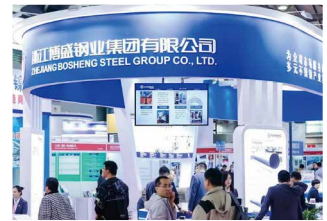

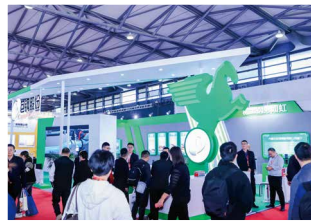

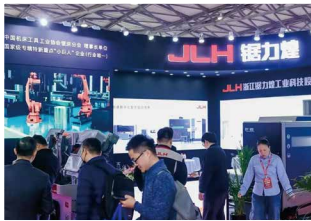

Visitors' Job Role

I These exhibitors will be back in 2025

The 15th Shanghai Intl Tube Industry Expo 2024 has attracted a large number of well-known exhibitors of steel pipes and equipment including *TPCO, TISCO, Youfa Group, Baogang Steel Group, Jiuli Group, Meide Group, Tianjin Yuantai Derui Pipe Group, Zhejiang Dewei Stainless Steel, Zheng Da Pipe, Dexin Steel Tube, Zhejiang Kingland Pipeline & Technologies etc.*

This year, the Shanghai International Tube Industry Expo 2025 will bring together more renowned enterprises in the industry, creating an immersive and hands-on environment that integrates industry exchanges, brand promotion, product demonstrations, and trade circulation, while continuing to lead innovative trends.

I Multiple concurrent events highlighting market opportunities and cutting-edge technologies

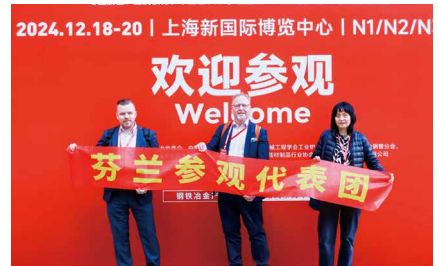

The 5th Development and Application of Steel Tube Industry Conference (DASTIC), Steel Pipe Industry Matchmaking Event 2025 and other industry forums will be held at the exhibition site.

Focusing on the new dynamics of the industry from multiple perspectives, these forums will address themes such as the global economy, the development of the tube and related industries, technological innovation, green and low-carbon initiatives, intelligent manufacturing, and other topics. It will also explore emerging trends for the future.

In 2025, MTM organizing committee will organize a number of overseas exhibitions in Indonesia, Mexico, Dubai and other locations, which will bring more global players, new and innovative companies to come together for face-to-face meetings in Shanghai.

It will attract more than **30,000** professional visitors to join (**27,695** visitors in 2024).

Tube Expo 2025 establishes in-depth cooperation with more than 200 industry media to promote by multi-channels such as websites, magazines, Wechat, Tiktok, etc. and opens a new mode of live broad-casting.

It will interview with enterprises & concurrent forums, which is expected to be participated by more than 100,000 people on-line and deepen the influence of the expo.

With increased investment in China's downstream industries, including clean energy, transportation, real estate, and other infrastructure projects, along with accelerated industrial upgrading, the demand for steel pipes is expected to sustain a certain level of growth.

Tube Expo 2025 will be segmented into the following key markets. Exhibitors and visitors are encouraged to invite guests.

Underground Pipeline

Petroleum Pipeline

Gas Pipeline

Chemical Equipment

Water Supply & Transmission Pipeline

Marine Engineering

Steel Construction

Engineering Machinery Equipment

Vehicle Manufacturing

Electricity & Nuclear

Close-knit User Industry Associations

China Urban Water Association, China Steel Construction Society, China Electricity Council, China Gas Association, China Fire Protection Association, China Association of City Planning, China Petroleum and Chemical Industry Association, Materials Branch of Architectural Society of China, Industrial Boiler Branch of China Electrical Equipment Industry Association (CIBB), Jiangsu Petrochemical Equipment Association.

Multi-years' on-site buyers

Oil & Gas Pipe:

China National Petroleum Corporation, China Petrochemical Corporation, China National Petroleum Corporation (CNPC), China National Offshore Oil Corporation, China Petroleum Pipeline Bureau (CPP), Sinopec Oilfield Service Corporation, Shanxi Yanchang Petroleum (Group).

Boiler Industry:

Shanghai Boiler Works, Sichuan Boiler Works, Harbin Boiler, Hangzhou Boiler Group, Dongfang Boiler Group, Babcock & Wilcox Beijing.

Tubes for Chemical Equipment:

Sinopec Zhenhai Refining & Chemical Company, Sinopec Qilu Petrochemical, Lanzhou Refining & Chemical, Nanjing YPC Refining & Chemical, Sinopec Maoming, Sinopec Yizheng Chemical Fiber, Sinopec Beijing Yanshan, Sinopec Dushanzi.

Construction Industry:

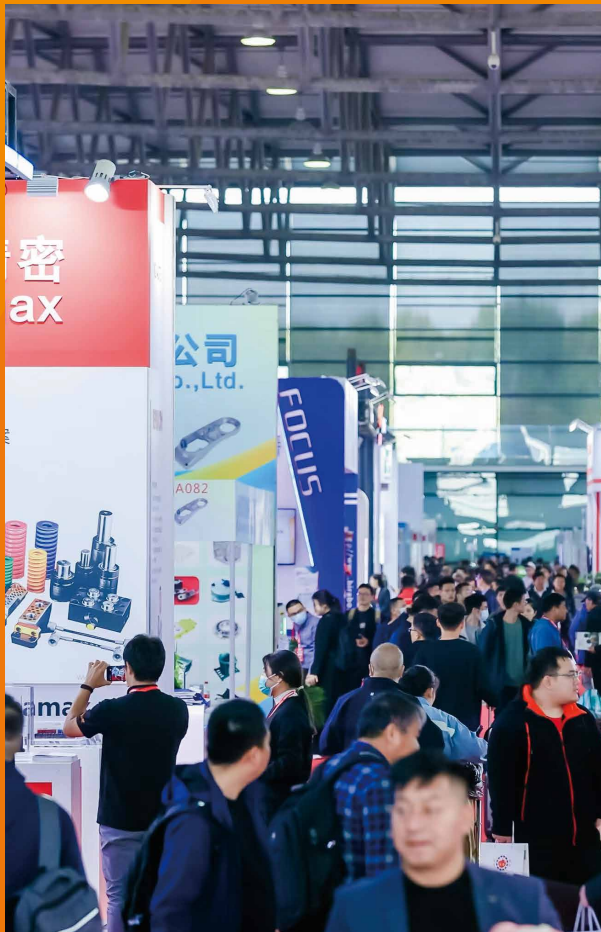

Shanghai Tongji Urban Planning & Design Institute, North China Municipal Engineering Design & Research Institute, Veolia Water Corporation, China IPPR International Engineering, Shanghai Water Supply Trade Association, Shanghai Municipal Drainage Administration, Shanghai Water Supply Administration.

Other Industry:

SAIC Motor, China Nuclear Power Engineering, Jinjiang Group, Jinxi Group, Shanghai Zhenhua Heavy Industry, Hudong Zhonghua Shipbuilding Group, Zhengzhou Coal Mining Machinery Group, Beijing Tianhai Industry, Lee Bucc (Tianjin) Hydraulics, Shanghai Construction Steel Structure Corp., Hangxiao Steel Structure, Jiangsu Huning Steel Mechanism.

EXHIBIT PROFILE

1. All kinds of raw materials for tubes and pipes.
2. Metal, non-metal pipe products and ancillary products.
3. Manufacturing machinery for metallic tubes and pipes.
4. Processing machinery for metallic tubes and pipes
5. Various kinds of high and low pressure pipes, pumps, valves, flanges, etc.
6. Pipeline construction equipments, welding equipments, construction support materials.
7. Testing technology, sensor technology and quality assurance for tube and pipe industry.

PARTICIPATION COST

RAW SPACE

USD \$350/m²
(Min.24m²)

STANDARD BOOTH

USD \$400/m²
(Min.9m²)

Note:

Raw space booth only provides exhibition space, no other facilities.

For standard exhibition configuration and more marketing solutions, please contact us.

DATE & OPENING HOURS

2-4 December 2025

Tuesday-Wednesday: 9:00 a.m.-5:00 p.m.

Thursday: 9:00 a.m.-1:00 p.m.
